My Trusted Network

Trades and Services

 RLP
INVESTORSEGE™

As your real estate agent, my goal isn't to be here only when you need to buy or sell a home.

I am connected to, and can provide you with, resources and guidance as a homeowner or investor, and put you in touch with professionals that serve you as a part of my extended network.

Often, I get asked for a plumber, a contractor, a landscaper, or the service of another trusted professional. Instead of relying on Google or asking a friend, I have created this guide for you.

Enclosed is my Trades and Services directory. It includes many services you may need as a homeowner. Please be assured, the recommendations I provide are carefully selected based on the trust I have built with these professionals, with the goal of always acting in your best interest. I do not receive any financial benefit from the service providers listed in this directory. However, If any financial arrangement exists, I will ensure full disclosure to ensure that you remain fully informed.

In line with this, I have included multiple options where available to give you a variety of choices. This way, you can select the professional that fits your needs, and it allows me to remain impartial. I personally vet all of these contacts to ensure they offer the reliability and quality of service you deserve.

I am readily available to provide professional advice or make recommendations about renovations or home improvement to help maximize the value of your property. The professionals in this directory have been carefully vetted to ensure they provide reliable, high-quality service. Rest assured, I do not receive any financial benefit from them. Should there be any arrangement, I will always be fully transparent about it, so you can make informed decisions.

If you know anyone in trade or service that you'd recommend, please let me know and I would be happy to include them here. As a small business owner myself, my business thrives on word of mouth, I would greatly appreciate your consideration if you or someone you know is looking to buy, sell, or invest in real estate.
